

## SEGUN OMOLE

**Former Business Consultant and  
Current Harvard Law Student**

Hello! My name is **Segun Omole** (he/him/his). I grew up in Nigeria and spent my early adult years (thus far) in the United Arab Emirates, the United Kingdom, China, and the US! I double-majored in Political Science and Legal Studies in my undergraduate program at New York University Abu Dhabi (in the United Arab Emirates) and studied Global Affairs for my first post-graduate program as a Schwarzman Scholar at Tsinghua University (in Beijing, China). I was previously a consultant at McKinsey & Company, where I advised Fortune 500 companies, leading organizations, and government bodies on management-level problems and issues. I am currently enrolled at Harvard Law School.

I am an avid music lover and anime watcher. I am also a badminton amateur, but a fanatic, nonetheless. In my nerdier times, I am keen on law, technology policy, macroeconomics, and African business and development. If any of those things appeal to you and your students, or you'd like to connect over anything else in my bio or beyond, please reach out!
